The Cottage is owned and run by Chameleon Pub Company and manager 'Wyn' Wingfield has been in charge of the comings and goings here since April 2011. Wyn and his team have a wealth of experience of looking after customers' every need and delivering great events for anything up to 100 guests.

## Scenarios & Capacity

And the room can be set up in various configurations, with or without a top table, dance floor, etc. Please discuss your requirements with us.

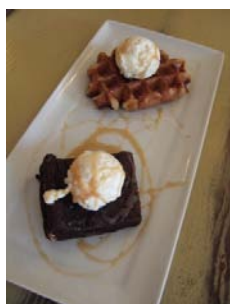

The function room has its own fully-stocked bar and private toilet and baby changing facilities. It also has its own separate entrance, which can be dressed/decorated in a variety of ways.

## Menus

We offer a range of menu options from canapés to buffets to full sit down meals.

Some ideas and example costings are enclosed but, of course, we're happy to design a menu to suit your personal tastes; in fact, whatever tempts your tastebuds..... We've done everything from pie and peas to an Indian banquet in the past!

## Music

Whether your events is in the main pub or in the function room, we are able to play our existing background music or provide you with an iPod dock to play your own playlists.

If you'd like a more lively and interactive music option, we have a resident DJ with full sound and lighting system and a huge range of music dating back to the 1940s! You can always bring in your own DJ, and they can set up in any area of the room to suit your preferred room layout.

If you want to go for a full live music experience, we have details of some local bands and acoustic musicians or you can bring in your own performers.

Please note that due to noise restrictions, live music must end by 11.30pm.

## Other Entertainment

Fancy something a bit different for your event? Casino? Horse or dog racing? Bingo? A magician?

What about a theme? Wild West? 1950s? Hawaiian?

Or perhaps something more interactive like a murder mystery or karaoke?

We have a wealth of contacts in the area to help you find virtually any kind of entertainment your heart may desire.

## Hire Charges

We don't generally implement a hire charge for use of the function room if you choose one of our food offerings. However, if you wish to provide your own catering, we usually charge a flat £100 fee for hire of the room itself.
